

## Hands-on Exercise 1

Based on the video discussion you have watched in Lesson 2, revise your DemoExercise project and make it look similar to the screenshot below. Make sure to include a CheckBox element from the Toolbox window with a text “I accept the terms of use”. Ensure that your FULLNAME appears as the title of the form written beside the word “Student Information System”. You may use any related photo as the background image of your application.

Once you are done, submit a complete screenshot of your Visual Studio 2019 Community Edition project similar to the screenshot below.
